

NEW TEACHING HOME FOR MONASH ENGLISH BRIDGING

From August 2017, selected Monash English Bridging cohorts will study in the centre of Melbourne city, in our brand new building.

ABOUT YOUR CAMPUS

120 Spencer Street is the newest teaching location for Monash College and by 2018 will be the permanent home for all Monash English Bridging (MEB) for University students. When you first enter you will walk through the modern, light-filled foyer and take the lift to one of the four architecturally designed Monash College floors.

Designed with international students in mind, the campus has modern classrooms, collaborative study spaces, consultation rooms, student kitchens and a library. You will also have access to on-campus support services including a counsellor, under 18 guardians and the Student Engagement Team.
